

INDEX TO VOLUME 63

AUTHORS INDEX*

A

- AARON, JULES B. (WITH BEILLY, JACOB S., GREENBERG, MERVIN W., AND PECK, SIDNEY J.), Placenta previa. An eleven-year review, 414
- ALLEN, EDWARD, AND FUNNELL, JOSEPH W., Hidradenoma of the vulva, 1364
- ANDERMAN, LESTER B., JOHNSON, WILLIAM M., AND HOSMER, FELL, Dysgerminoma treated with nitrogen mustard, 464
- ANZ, U. E., WARD, G. H., AND MCCARTHY, A. M., Extraperitoneal cesarean section. Experience with 30 cases, 861
- ARENS, ROBERT A. (WITH STEIN, IRVING F.), A table for gynecography, 1169
- ASKARI, ASKAR, AND HODAS, JOSEPH H., Methemoglobinemia during pregnancy with subsequent death of infant, 437
- ASSALI, N. S., VERGON, J. M., TADA, Y., AND GARBER, S. T., Studies on autonomic blockade. VI. The mechanisms regulating the hemodynamic changes in the pregnant woman and their relation to the hypertension of toxemia of pregnancy, 978
- AUER, JANE, Acute myelogenous leukemia in pregnancy, 445

B

- BAIRD, DUGALD, The cause and prevention of difficult labour, 1200
- BAKER, WILLIAM S., JR., Multiple sclerosis complicating pregnancy, 917
- BALL, THOMAS L., Combined vaginal and abdominal plication and cystopexy for urinary stress incontinence, 1245
- BALLENTINE, GEORGE N., An adjunct to the management of pruritus vulvae, 218
- BANNER, EDWARD A. (WITH CRENSHAW, JOHN L., JR.), Hydrocephalic births, 63
- BARAN, CHARLES S. (WITH BICKEL, DAVID A.), Cortical venous thrombosis following delivery, 927
- BARFIELD, WM. E. (WITH GREENBLATT, ROBERT B.), Hormonal control of functional uterine bleeding, 153
- BARNES, ALLAN C., AND EPPERSON, JOHN W., Studies in the cholinesterase-hormone relationship, 326
- BARROWS, DAVID NYE (WITH GRUNSTEIN, ISAAC), Multiple neoplasms of the ovaries associated with carcinoid of the appendix, 679
- BARTER, ROBERT H. (WITH PARKS, JOHN), The myomatous uterus complicated by pregnancy, 260
- BARTON, BENNETT (WITH JAVERT, CARL T.), Congenital and acquired lesions of the umbilical cord and spontaneous abortion, 1065
- BATEMAN, JEANNE C. (WITH CROMER, J. KEITH, BERRY, G. NEILL, KENNELLY, JOHN M., KLOPP, CALVIN T., AND PLATT, LOIS I.), Use of intra-arterial nitrogen mustard therapy in treatment of cervical and vaginal cancer, 538
- BEACHAM, DAN W., AND BEACHAM, W. D., Dystocia due to fetal megabladder, 203
- , TURNER, J. L., AND BEACHAM, W. D., Morbidity after cesarean section. A clinical evaluation of prophylaxis with aureomycin in 100 consecutive cases, 818
- BEACHAM, W. D. (WITH BEACHAM, DAN W.), Dystocia due to fetal megabladder, 203
- (WITH BEACHAM, DAN W., AND TURNER, J. L.), Morbidity after cesarean section. A clinical evaluation of prophylaxis with aureomycin in 100 consecutive cases, 818
- BEECHAM, CLAYTON T., AND EMICH, JOHN, Evaluation of cervical biopsy in the diagnosis of carcinoma, 645
- BEER, MORTON A. (WITH POSNER, A. CHARLES), "Pig face" fetus, a teratological study, 1157
- BEILLY, JACOB S., GREENBERG, MERVIN W., AARON, JULES B., AND PECK, SIDNEY J., Placenta previa. An eleven-year review, 414
- BELL, DOROTHY (WITH MILLER, H. LLOYD, AND FLANNERY, FRANCIS E.), Education for childbirth in private practice; 450 consecutive cases, 792
- BELL, J. SHERIDAN, AND RAWLINGS, ARTHUR L., Roentgen fetal cephalometry, 1371
- BERNSTINE, J. BERNARD, AND BOYSEN, THEO. H., III, Blood sugar values in labor, 627
- AND BRECKINRIDGE, R. L., Sarcoma of the round ligament, 1367
- AND DE ANDINO, AUGUSTIN M., Studies on the circulating eosinophils in normal and toxemic pregnant women, 181
- BERRY, G. NEILL (WITH CROMER, J. KEITH, BATEMAN, JEANNE C., KENNELLY, JOHN M., KLOPP, CALVIN T., AND PLATT, LOIS I.), Use of intra-arterial nitrogen mustard therapy in the treatment of cervical and vaginal cancer, 538
- BERTLING, M. H. (WITH TANNENBAUM, A. J., AND BURWELL, J. C., JR.), Idiopathic diabetes insipidus with normal pregnancy, 472
- BICKEL, DAVID A., AND BARAN, CHARLES S., Cortical venous thrombosis following delivery, 927
- BIRNBERG, CHARLES H., BRANDMAN, LEONARD J., AND GREENBLATT, BERNARD, The use of ethinyl estradiol in pregnancy, 1151
- , SHERBER, DANIEL A., AND BRANDMAN, LEONARD J., Estrone sulfate soluble in the treatment of estrogen deficiency, 1358

SUBJECT INDEX*

A

- Abdominopelvic pains without structural or organic pathology (Skajaa), 475 (Abst.)
- Abortion, missed; study with the tokodynamometer (Rowe-Dutton et al.), 650
- of decidual cast complicating pregnancy in uterus didelphys (Kohl), 676
- spontaneous, congenital and acquired lesions of the umbilical cord and (Javert and Barton), 1065
- return of reproductive capacity following (Sullivan), 671
- therapeutic, in pulmonary tuberculosis, results following (Schaefer and Epstein), 129
- trends in; review of 137 cases (Moore and Randall), 28
- threatened, use of diethylstilbestrol in (Robinson and Shettles), 1330
- Abortions, therapeutic, with a folic acid antagonist, 4-aminopteroylglutamic acid (4-amino P. G. A.) administered by the oral route (Thiersch), 1298
- Abruptio placentae, rupture of the basal (decidual) plate in: a pathway of auto-extraction from the decidua into the maternal circulation (Schneider), 1078
- Abstracts, anatomy, anomalies, 931
- anesthesia, analgesia, 931
- cancer, 474
- cesarean section, 474, 933, 1172
- endocrinology, 1172, 1395
- endometriosis, 474
- gynecologic operations, 228
- gynecology, 475, 1175, 1395
- labor, 229
- complications, 228
- management, complications, 1176
- malignancies, 934, 1177
- menstruation, 230
- miscellaneous, 230, 934
- newborn, 231, 476, 935, 1397
- placenta, 937, 1179, 1398
- pregnancy, complications, 1180
- physiology, 937, 1182
- toxemia, 477, 938
- puerperium, 233, 939
- radiation, 233, 477
- sterility, 478
- fertility, 233, 940
- toxemia, 1183, 1398
- tubal insufflation, 235
- vaginal infections, 236
- venereal diseases, 940
- ACTH and cortisone, herpes gestationis treated with, results of (Lindemann et al.), 167
- and Pranone, in Rh-sensitized pregnancies, experience with (Holmstrom), 1038
- effect of, on acute rheumatic fever in pregnancy (Singh and Miller), 452
- Addison's disease during pregnancy, management of, with cortisone and desoxycorticosterone (Wells and Wespe), 925
- Adenocarcinoma occurring in one cervix of uterus didelphys associated with solitary kidney (Grant and Pierce), 212
- of endometrium, a clinicopathologic study (McGarvey and Gibson), 836
- primary, of cervix (Hepler et al.), 800
- Adenomyoma of round ligament in pregnancy (Rubenstein and Kurzon), 458
- Adnexa, uterine, torsion of normal (Warwick et al.), 883
- Adrenocorticotrophic hormone, herpes gestationis treated with, results of (Lindemann et al.), 167
- Age limit, upper, of parturition; review of literature (Newell and Rock), 875
- Amenorrhea, Prostigmine in (Seims), 230 (Abst.)
- American Association of Obstetricians, Gynecologists and Abdominal Surgeons, sixty-second annual meeting, Hot Springs, Va., Sept. 6-8, 1951, transactions of, 241, 479
- Board of Obstetrics and Gynecology, 941 (Item)
- Congress on Obstetrics and Gynecology, the fifth, 712 (Item)
- obstetrical and gynecological societies, roster of, 237, 947
- Amniotic fluid, nonfatal maternal pulmonary embolism by (Hager and Davies), 901
- Analgesics, influence of, on pain intensity during labor (Javert and Hardy), 932 (Abst.)
- Anatomy, anomalies, 931 (Absts.)
- Androgen-estrogen combination, use of, to prevent pain and lactation in the puerperium (Katzman), 1338
- Androgens in gynecology (Østergaard), 475 (Abst.)
- Anesthesia, analgesia, 931 (Absts.)
- ethyl alcohol, intravenous, combined use of intravenous Pitocin and (White), 854
- obstetrical, modern trends in (Hershenson), 559
- Pentothal in obstetrics (Whyte), 163
- spinal, as treatment of postpartum atony of uterus (Fuchs), 932 (Abst.)
- for vaginal delivery with special reference to prevention of postpartum headache (Huston and Leberherz), 139
- in obstetrics, single dose low (Torkelson and Cooley), 931 (Abst.)
- Aneurysm of left external iliac artery, rupture of, during pregnancy (Priddle), 461
- Antibiotic therapy (Welch and Lewis), 1393 (B. rev.)
- Antithyroid drugs during pregnancy (Astwood), 1174 (Abst.)
- Appendix, carcinoid of (Nelson), 905
- multiple neoplasms of ovaries associated with (Grunstein and Barrows), 679
- vermiform, endometriosis of (Sutton and Hardy), 1139
- Artificial insemination with husband's sperm (Hanson and Rock), 233 (Abst.)
- Asphyxia neonatorum treated by electrical stimulation of the phrenic nerve (Cross and Roberts), 232 (Abst.)
- Aureomycin, donovanosis of tubes and ovary treated with surgery and (Marmell et al.), 893
- prophylaxis with, in cesarean section, clinical evaluation of (Beacham et al.), 818
- Autonomic blockade, studies on. VI. The mechanisms regulating the hemodynamic changes in the pregnant woman and their relation to the hypertension of toxemia of pregnancy (Assali et al.), 978
- Azoospermia and sterility, statistical study of 100 cases (Seguy and Tchiloyans), 940 (Abst.)

*January, pp. 1-240; February, pp. 241-478; March, pp. 479-716; April, pp. 717-950; May, pp. 951-1184; June, pp. 1185-1420.

B

- Bacteroides infections of female genital tract (Clark and Wiersma), 371
- Baldwin-Mori operation for congenital absence of vagina, review of (Brocq and Robert), 1395 (Abst.)
- Baldy-Webster uterine suspension, an unusual complication following (Brady), 922
- Bilateral follicular rupture (Fielding), 1384
- Biopsy curette, endocervical; instrument for detection of early carcinoma of cervix (Schwartz), 1382
- forceps, endometrial sponge, an evaluation of surface sponge biopsy in a cancer detection clinic with special reference to use of (Diamond et al.), 668
- Birth certificate, proposed use of, for obstetric data (Roemer), 186 (Special article)
- Births, hydrocephalic (Crenshaw and Banner), 63
- Bladder, exstrophy of (Sage and Janssen), 196
- Bleeding, postmenopausal, analysis of 100 cases (McFadyen), 178
- uterine, abnormal, use of protamine sulfate and toluidine blue for (Rumbolz et al.), 1029
- benign, treatment of, with intracavitary radiation (Hundley et al.), 1234
- endometrium and its vasculature overlying submucous fibroids in relation to (Duperroy), 1110
- hormonal control of functional (Greenblatt and Barfield), 153
- intravenous estrogen in, effect of (Greenblatt and Barfield), 1173 (Abst.)
- Blood group factors and physiological icterus (Wexler and Wiener), 935 (Abst.)
- maternal and fetal, blood levels of chloroform in, where chloroform was employed during forceps application (Lévy-Solal et al.), 1178 (Abst.)
- of pregnant women, inactivation of Pitresin antidiuretic effect by, further studies on (McCartney et al.), 947
- pressure and prognosis in toxemia of pregnancy (Mukherjee and Govan), 939 (Abst.)
- sugar values in labor (Bernstine and Boyesen), 627
- Books, review of new, 700, 1386
- Boy, one little (Baruch), 1393 (B. rev.)
- British Congress of Obstetrics and Gynecology, 236, 716 (Items)
- Broad ligament, interstitial pregnancy developing into (Kobak and Le Vine), 684
- Brow presentation (Ingerslev), 228 (Abst.)
- Bufo Americanus, use of, in diagnosis of pregnancy (Forman and Floyd), 1352
- bufo (Swedish male toad), use of, in diagnosis of pregnancy (Diczfalusy and Westman), 230 (Abst.)

C

- Cancer, 474 (Absts.)
- advanced, of cervix of uterus, fate of patient with (Cosbie), 108
- cervical and vaginal, intra-arterial nitrogen mustard therapy in treatment of (Cromer et al.), 538
- cytology of uterus (Ayre), 1388 (B. rev.)
- detection clinic, an evaluation of surface sponge biopsy in a, with special reference to the use of an endometrial sponge biopsy forceps (Diamond et al.), 668
- gynecologic (Corscaden), 704 (B. rev.)
- multiple, primary, in female genitals and other sites (Marrangoni and McKenna), 660
- of cervix, removal of pelvic lymph nodes in (Meigs), 1177 (Abst.)
- of vulva, treatment of (Cosbie), 251
- Carcinoid of appendix (Nelson), 905
- multiple neoplasms of ovaries associated with (Grunstein and Barrows), 679

- Carcinoma, cervical biopsy in diagnosis of, evaluation of (Beecham and Emich), 645
- unsuspected, postoperative recognition and further management of (Finn), 717
- endometrial, leiomyofibroma, and infiltrating cervical epidermoid carcinoma in same uterus (Lisa et al.), 1162
- of cervix, causes of death in, influencing modern trends in treatment (Ward et al.), 989
- instrument for detection of early (Schwartz), 1382
- surgical management of (Kelso), 955
- treatment of choice for stage one (Laborde), 934 (Abst.)
- uteri, metastasis from, simulating coronary disease (Kahn), 433
- surgical treatment of (Peterson and Hornbrook), 1290
- of mesonephric duct (Nace), 914
- of ovary, primary, palliative surgery for (Grünberger), 228 (Abst.)
- of urethra, primary, with metastases (Eisenstaedt), 474 (Abst.)
- ovarian, migratory thrombophlebitis associated with (Womack and Castellano), 467
- Cardiac rhythm during cyclopropane anesthesia for parturition, comparison of effect of Pituitrin, Pitocin, and ergonovine, on (Morris et al.), 171
- Case reports, 192, 428, 674, 883, 1157, 1364
- Central Association of Obstetricians and Gynecologists, 19th annual meeting, Detroit, Michigan, September 21-22, 1951, transactions of, 951
- Cerebral hemorrhage, intrapartum (Hall and Corradini), 192
- Cervical and vaginal cancer, intra-arterial nitrogen mustard therapy in treatment of (Cromer et al.), 538
- biopsy in diagnosis of carcinoma, evaluation of (Beecham and Emich), 645
- carcinoma, unsuspected, postoperative recognition and further management of (Finn), 717
- mucus, carbohydrates in human, analysis of, by means of paper partition chromatography (Bergman and Werner), 934 (Abst.)
- osmotic pressure of human (Bergman and Lund), 934 (Abst.)
- secretion, simple test for determination of ovulation, estrogen activity, and early pregnancy using the (Roland), 81
- therapy, sulfonamides in, clinical evaluation of (Jacoby and Bobker), 1349
- Cervix, adenocarcinoma of, primary (Hepler et al.), 800
- and vagina, pre- and postoperative treatment of, Furacin vaginal suppositories in (Schwartz), 579
- cancer of, removal of pelvic lymph nodes in (Meigs), 1177 (Abst.)
- carcinoma of, causes of death in, influencing modern trends in treatment (Ward et al.), 989
- instrument for detection of early (Schwartz), 1382
- surgical management of (Kelso), 955
- treatment of choice for stage one (Laborde), 934 (Abst.)
- neurofibromatosis of (Busby), 674
- of uterus, advanced cancer of, fate of patient with (Cosbie), 108
- uteri, carcinoma of, metastasis from, simulating coronary disease (Hahn), 433
- surgical treatment of (Peterson and Hornbrook), 1290
- Cesarean section, 474, 933, 1172 (Absts.)
- babies, effect on, of stripping or milking of the umbilical cords (Siddall et al.), 1059
- broadened indications for (Anders), 474 (Abst.)
- classical, improved uterine closure in (Jacobson), 933 (Abst.)
- death (Gordon), 284

Cesarean section—Cont'd

- extraperitoneal, bilateral paravesical-supravesical approach for (Bourgeois and Phaneuf), 730
- experiences with 30 cases (Anz et al.), 816
- fetal mortality in, analysis of (Diddle et al.), 967
- incision of placenta at; a cause of fetal anemia (Siddall and West), 425
- indications for, the case for reevaluation of (Harris et al.), 1172 (Abst.)
- morbidity after (Beacham et al.), 818
- prophylaxis with aureomycin in, clinical evaluation of (Beacham et al.), 818
- recent trends in, and their influence on maternal and fetal mortality (Williams and Hollenbeck), 1254
- sections at Sutter Maternity Hospital (Schluter), 933 (Abst.)
- four hundred consecutive, analysis of (Zarou), 122
- Childbirth, exercises after (Behn), 708 (B. rev.)
- in private practice, education for (Miller et al.), 792
- Cholinesterase-hormone relationship, studies in (Barnes and Epperson), 326
- Chorionepithelioma (Mohler and McConnell), 428
- of ovary, primary (Roman and Feroldi), 1178 (Abst.)
- Circulating eosinophils in normal and toxemic pregnant women, studies on (Bernstine and de Andino), 181
- Circumcision instrument, a new (Turner and Bogue), 220
- Conception, optimum time for, a formula for selecting the (Farris), 1143
- Contraceptive, critical study of efficacy of jelly as a (Finkelstein et al.), 664
- Contractions, uterine, at term after administration of progesterone and water-soluble extracts of desiccated corpus luteum (Rowe-Dutton et al.), 1318
- Coronary artery disease in pregnancy (Mendelson), 381
- disease, metastasis from carcinoma of cervix uteri simulating (Hahn), 433
- Corpus luteum, desiccated, water-soluble extracts of, uterine contractions at term after administration of progesterone and (Rowe-Dutton et al.), 1318
- uteri, mesodermal mixed tumor of (McElin and Davis), 605
- Correspondence, 942
- Cortical venous thrombosis following delivery (Bickel and Baran), 927
- Cortisone and desoxycorticosterone, management of Addison's disease during pregnancy with (Wells and Wesp), 925
- Culdoscopy (Decker), 654
- Cyst of liver, large nonparasitic, simulating an ovarian cyst (Burch and Jones), 441
- Cystopexy for urinary incontinence, combined vaginal and abdominal plication and (Ball), 1245
- Cysts, endometrial, ruptured, as cause of acute abdominal symptoms (Pratt et al.), 90
- presacral epidermoid, in women (Melody), 1119
- Cytodynamic properties of human endometrium. V. Metabolism and the enzymatic activity of the human endometrium during the menstrual cycle (Stuerner and Stein), 359
- Cytologic diagnosis of malignancy of female generative tract—pathologist's viewpoint (LeMar), 1147
- Cytology, cancer, of uterus (Ayre), 1388 (B. rev.)

Cytology—Cont'd

- of urinary sediment, correlation of, with endometrial histology (Taylor and McCallin), 1009
- vaginal, method for detection of ruptured membranes through examination of (Hopman), 1342

D

- Deliveries, forceps, classification of, according to station of head in pelvis; results in 3,883 (Dennen), 272
- Methergine in 1,000, further clinical experience with (Cerone and Pannullo), 184
- Delivery, cortical venous thrombosis following (Bickel and Baran), 927
- pelvic tumors arising extragenitally and obstructing, a review of (Haeger), 1180 (Abst.)
- vaginal, spinal anesthesia for, with special reference to prevention of postpartum headache (Huston and Leberherz), 139
- Diameters, midpelvis (Thierstein), 1282
- Diethylstilbestrol, use of, in threatened abortion (Robinson and Shettles), 1330
- Di-hydro-ergotamine in treatment of primary uterine inertia, experiences with (Gill and Farrar), 1176 (Abst.)
- Donovanosis of tubes and ovary treated with aureomycin and surgery (Marmell et al.), 893
- Drugs used in pregnancy toxemias, effect of, on renal output (de Alvarez and Richards), 1263
- Dysgerminoma treated with nitrogen mustard (Anderman et al.), 464
- Dyspareunia, vaginal length and incidence of, following total abdominal hysterectomy (Jewett), 400
- Dystocia due to fetal megabladder (Beacham and Beacham), 203
- to horseshoe kidney (Summers), 695

E

- Eclampsia, conservative treatment of (Waldrop and Blanton), 856
- critical study of, in a municipal hospital (Roberts), 1102
- developing in early stages of hydatidiform mole (Pigeaud), 1400 (Abst.)
- late prognosis of (Rasmussen et al.), 938 (Abst.)
- penicillin in treatment of pre-eclampsia and, trials with (Smith et al.), 1185
- rupture of liver in pregnancy, rare complication of (Speert and Tillman), 1127
- tracheotomy in (Collins et al.), 1052
- treatment of, high fluid intake in (Whitacre and Turner), 1398 (Abst.)
- Eclamptic toxemia, minerals in etiology and treatment of (Garrett), 1184 (Abst.)
- Ectopic pregnancy, diagnosis and management of (Campbell), 54
- Endocervical biopsy curette; instrument for detection of early carcinoma of cervix (Schwartz), 1382
- Endocrinology, 1172, 1395 (Absts.)
- obstetric and gynecologic, fellowship in, 716 (Item)
- Endometrial carcinosarcoma, leiomyofibroma, and infiltrating cervical epidermoid carcinoma in same uterus (Lisa et al.), 1162
- cysts, ruptured, as cause of acute abdominal symptoms (Pratt et al.), 90
- histology, correlation of cytology of urinary sediment with (Taylor and McCallin), 1009
- sponge biopsy forceps, evaluation of surface sponge biopsy in a cancer detection clinic with special reference to (Diamond et al.), 668

- Endometriosis, 474 (Absts.)
 diagnosis of, accuracy of (Sinclair), 1334
 fever in (Forman), 634
 in pregnancy, clinical observations (Gainey et al.), 511
 occurring in a vaginoperineal fistula (Kistner and Younge), 455
 of vermiform appendix (Sutton and Hardy), 1139
 pelvic, infrequency of, in Negro women (Blinick and Merendino), 474 (Abst.)
 tuberculous, unsuspected, detection and treatment of (Levine and Kurland), 420
- Endometrium, adenocarcinoma of, a clinicopathologic study (McGarvey and Gibson), 836
 and its vasculature overlying submucous fibroids in relation to uterine bleeding (Duperroy), 1110
 cytodynamic properties of human. V. Metabolism and the enzymatic activity of the human endometrium during the menstrual cycle (Stuermer and Stein), 359
 during menstrual cycle, metabolism and enzymatic activity of (Stuermer and Stein), 359
- Eosinophils, circulating, in normal and toxemic pregnant women, studies on (Bernstine and de Andino), 181
- Epidermoid cysts, presacral, in women (Melody), 1119
- Ergonovine and Methergine, effects of, intravenous injections of, on postpartum patient (Forman and Sullivan), 640
- Pituitrin, and Pitocin, comparison of effect of, on cardiac rhythm during cyclopropane anesthesia for parturition, (Morris et al.), 171
- Erythroblastosis, efficacy of Rh hapten therapy in prevention of (Marsters et al.), 549
- Estrogen activity, ovulation, and early pregnancy, simple test for determination of, using the cervical mucus secretion (Roland), 81
 administration, storage of estrogen in human fat after (Greenblatt and Brown), 1361
 deficiency, estrone sulfate soluble in treatment of (Birnberg et al.), 1358
 intravenous, effect of in uterine bleeding (Greenblatt and Barfield), 1173 (Abst.)
- Estrogens, abuse of, in treatment of leukoplakia of vulva (Christy), 1133
 prevention of lactation by (Romani), 1179 (Abst.)
- Estrone sulfate soluble in treatment of estrogen deficiency (Birnberg et al.), 1358
- Ethinyl estradiol, use of, in pregnancy (Birnberg et al.), 1151
- Ethyl alcohol, intravenous, combined use of intravenous Pitocin and (White), 854
- Exercises after childbirth (Behn), 708 (B. rev.)
- Exstrophy of bladder (Sage and Janssen), 196
- Extraperitoneal cesarean section, bilateral paravesical-supravesical approach for (Bourgeois and Phaneuf), 730
 experience with 30 cases (Anz et al.), 861
- F**
- Fallopian tube, primary carcinoma of (Crutenden and Taylor), 476 (Abst.)
 tubes, patency of, false diagnosis of (White), 235 (Abst.)
- Fetal anemia, incision of placenta at cesarean section, cause of (Siddall and West), 425
 cephalometry, roentgen (Bell and Rawlings), 1371
- Fetal—Cont'd
 megabladder, dystocia due to (Beacham and Beacham), 203
 mortality, cause of, at the Sloane Hospital for Women, 1940-1949 (Steer and Kosar), 1091
 cesarean section, analysis of (Diddle et al.), 967
 recent trends in cesarean section and their influence on (Williams and Hollenbeck), 1254
 placental circulation (Earn and Nicholson), 1
 survival, influence of maternal and obstetrical factors on (FitzGerald et al.), 1397 (Abst.)
- Fetus and newborn, pathology of (Potter), 1393 (B. rev.)
 "pig face," a teratological study (Posner and Beer), 1157
 thiourea derivatives and, review and report of case (Hepner), 869
- Fever in endometriosis (Forman), 634
- Fibroids, submucous, endometrium and its vasculature overlying, in relation to uterine bleeding (Duperroy), 1110
- Fistula, vesicouterine, unusual (Bond and Rogers), 215
- Fistulae, intestinal, treatment of, by implantation of placenta (Gallegos), 1176 (Abst.)
- Fistulas, vesicovaginal (Carter et al.), 479
- Fluid intake, high, in treatment of eclampsia (Whitacre and Turner), 1398 (Abst.)
- Folic acid antagonist, 4-aminopteroylglutamic acid (4-amino P. G. A.), therapeutic abortions with, administered by oral route (Thiersch), 1298
- Follicular rupture, bilateral (Fielding), 1384
- Forceps operations, classification of, according to station of head in pelvis; results in 3,883 forceps deliveries (Dennen), 272
 outlet, a modified (Peterson), 226
- Fructose and fructolysis in human semen (Birnberg et al.), 877
- Furacin vaginal suppositories in pre- and postoperative treatment of cervix and vagina (Schwartz), 579
- G**
- Generative tract, malignancy of the female, cytologic diagnosis of—a pathologist's viewpoint (LeMar), 1147
- Genetics, clinical picture and development pathology of gestosis in light of (Sauramo), 1400 (Abst.)
- Genital tract, bacteroides infections of female (Clark and Wiersma), 371
 malignant disease of female (Way), 703 (B. rev.)
 tuberculosis in women, diagnosis and treatment of (Liljedahl and Rydén), 1396 (Abst.)
- Genitals, cancer, multiple primary, in female (Marrangoni and McKenna), 660
- Genito-urinary surgery, atlas of (Roen), 707 (B. rev.)
- German Gynecological Society, 716 (Item)
- Gonadotrophins in sterility, preliminary note on employment of large and small doses of (Palmer), 235 (Abst.)
- Gonorrheal salpingitis, chronic, cornual resection in 114 cases of (Davidson), 1396
- Gunshot wound of gravid uterus, case of (Jacobus), 687
- Gynecography, table for (Stein and Arens), 1169
- Gynecologic cancer (Corscaden), 704 (B. rev.)
 operations, 228 (Absts.)
- Gynecology, 475, 1175, 1395 (Absts.); 702, 1386 (B. revs.)
 psychosomatic (Kroger and Freed), 702 (B. rev.)

H

- Headache, postpartum, spinal anesthesia for vaginal delivery with special reference to prevention of (Huston and Lebherz), 139
- Healthy children, let's have (Davis), 710 (B. rev.)
- Hemangiopericytoma, an unusual pelvic tumor (Forman and Campbell), 929
- Hemorrhage, intrapartum cerebral (Hall and Corradini), 192
intrapertitoneal, massive, rupture of a subserous vein on surface of a uterine myoma causing (Li and Braden), 1167
postpartum, etiology of (Terzian), 809
subarachnoid, pregnancy complicated by (Trodelia), 1377
- Hemostasis, defective, causes and prevention of, together with technique for total hysterectomy (Tauber), 1272
- Hepatitis complicating pregnancy (O'Connell), 449
- Herpes gestationis: results of treatment with ACTH and cortisone (Lindemann et al.), 167
- Hiatal hernia, gastric ulcer in, complicating pregnancy (Hahn), 222
- Hidradenoma of vulva (Allen and Funnell), 1364
- Histidine and histamine, metabolism of, in normal and toxemic pregnancy (Kapeller-Adler), 1399 (Abst.)
- Hodgkin's disease and pregnancy (Stewart and Monto), 570
report of 12 cases (Hennessy and Rotino), 756
- Homologous ovarian and testicular tumors (Marchetti and Lewis) 294
- Hormonal control of functional uterine bleeding (Greenblatt and Barfield), 153
- Hormone-induced tissue growth, interaction of, and vital inorganic elements in uterine carcinogenesis (Hofbauer), 136
- Horseshoe kidney, dystocia due to (Summers), 695
- Hydatidiform mole, benign, malignant syncytioma following (Kistner), 888
eclampsia developing in early stages of (Pigeaud), 1400 (Abst.)
- Hydrocephalic births (Crenshaw and Banner), 63
- Hyperemesis gravidarum, potassium deficiency in (Bergqvist), 1183 (Abst.)
- Hypertension of toxemia of pregnancy, mechanisms regulating the hemodynamic changes in the pregnant woman and their relation to (Assali et al.), 978
- Hypotensive obstetric patients with special reference to gestosis (Sauramo), 1181 (Abst.)
- Hysterectomies, morbidity studies in 1,000 consecutive (Cron et al.), 344
- Hysterectomy, ovarian carcinoma subsequent to (Thorp), 1177 (Abst.)
total abdominal, vaginal length and incidence of dyspareunia following (Jewett), 400
technique for, causes and prevention of defective hemostasis, together with (Tauber), 1272

I

- Idiopathic diabetes insipidus with normal pregnancy (Tannenbaum et al.), 472
- Incontinence, stress, combined vaginal and abdominal plication and cystopexy for (Ball), 1245
Marshall-Marchetti operation, a review (Gallaher), 842
- Infant development (Gesell), 1391 (B. rev.)
mortality in a voluntary hospital (Hofmeister and Paegel), 999

- Infantile vagina, biology of (Montalvo and Slocker), 1397 (Abst.)
- Infection, *Salmonella suispestifer* var. *Kunzendorf*, in the puerperium (Hesseltine and Turner), 697
- Insemination, artificial, with husband's sperm (Hanson and Rock), 233 (Abst.)
- Instruments, new, 192, 428, 674, 883, 1157, 1364
- Interstitial pregnancy developing into the broad ligament (Kobak and Le Vine), 684
- Intra-arterial nitrogen mustard therapy in treatment of cervical and vaginal cancer (Cromer et al.), 538
- Intrapartum cerebral hemorrhage (Hall and Corradini), 192
- Intrapertitoneal rupture of bladder in puerperium, spontaneous (Deacon), 939 (Abst.)
- Iron, intravenous, use of, in practice of obstetrics and gynecology (Briscoe), 99
- Items, 236, 478, 712, 941

J

- Jelly - as a contraceptive, critical study of efficacy of (Finkelstein et al.), 664

K

- Kidney, horseshoe, dystocia due to (Summers), 695

L

- Labor, 229 (Absts.)
blood sugar values in (Bernstine and Boyesen), 627
complications, 228 (Absts.)
difficult, cause and prevention of (Baird), 1200
management, complications, 1176 (Absts.)
missed (Kotz et al.), 209
pain intensity during, influence of analgesics on (Javert and Hardy), 932 (Abst.)
prolonged (Starr), 333
second stage of, duration of (Hellman and Prystowsky), 1223
third stage of, use of semisynthetic oxytocic (Methergine) in (Fitzgerald), 865
- Lactation, androgen-estrogen combination to prevent pain and, in puerperium (Katzman), 1338
prevention of, by estrogens (Romani), 1179 (Abst.)
- Laryngoscope, a catheterizing, for tracheobronchial aspiration of newborn and premature infant (Emerson), 1374
- Le Fort operation (Wolf), 1346
- Leucemia, acute myelogenous, in pregnancy (Auer), 445
- Leukoplakia of vulva, abuse of estrogens in treatment of (Christy), 1133
- Leukosis occurring in puerperium, showing deposits in the endometrium (Hampson), 940 (Abst.)
- Ligation of inferior vena cava and ovarian vessels, effects of, on ovulation and pregnancy in the human being (Collins et al.), 351
- Lipoma of uterus (Decker), 911
- Liver, cyst of, large nonparasitic, simulating an ovarian cyst (Burch and Jones), 441
rupture of, in pregnancy: a rare complication of eclampsia (Speert and Tillman), 1127

M

- Malformations, congenital, maternal states in relation to (Carter), 477 (Abst.)
genital, pregnancy and (Fenton and Singh), 744
uterine, in management of sterility and infertility (Steinberg), 827

Malignancies, 934, 1177 (Absts.)
 ovarian, treatment of, results of (Randall and Hall), 497
 Malignancy of female generative tract, cytologic diagnosis of; a pathologist's viewpoint (LeMar), 1147
 Malignant disease of female genital tract (Way), 703 (B. rev.)
 Marshall-Marchetti operation, a review (Gallaher), 842
 Maternal mortality, recent trends in cesarean section, and their influence on (Williams and Hollenbeck), 1254
 surveys, value of (Moe), 951
 nonfatal pulmonary embolism by amniotic fluid (Hager and Davies), 901
 placental circulation (Earn and Nicholson), 1
 rubella in pregnancy, children born deaf following, psychoeducational study of (Levine), 231 (Abst.)
 Maternity care in two counties (Whitacre and Jones), 701 (B. rev.)
 Menopause, treatment of, evaluation of an estrogen, androgen, estrogen-androgen combination in (Greenblatt et al.), 1172 (Abst.)
 Menstrual cycle, metabolism and enzymatic activity of the human endometrium during (Stuermer and Stein), 359
 pregnanediol excretion in (Fischer et al.), 613
 disorders and sterility, diagnosis and treatment of (Mazer and Israel), 706 (B. rev.)
 Menstruation, 230 (Absts.)
 Mesodermal mixed tumor of body of uterus; two cases of (Hardy and Moragues), 307
 of corpus uteri (McElin and Davis), 605
 Mesonephric duct, carcinoma of (Nace), 914
 Metastasis from carcinoma of cervix uteri simulating coronary disease (Hahn), 433
 Methemoglobinemia during pregnancy with subsequent death of infant (Askari and Hodas), 437
 Methergine and ergonovine, effect of intravenous injections of, on postpartum patient (Forman and Sullivan), 640
 in 1,000 deliveries, further clinical experience with (Cerone and Pannullo), 184
 in third stage of labor (Fitzgerald), 865
 Midpelves, narrow, sagittal expansion in (Hanson), 1312
 Midpelvis diameters (Thierstein), 1282
 Midplane contraction, criteria of (Kaltreider), 392
 prognosis, pelvic shape and its relation to (Kaltreider), 116
 Missed abortion; study with the tokodynamometer (Rowe-Dutton et al.), 650
 labor (Kotz et al.), 209
 Monilia albicans and its localized vulvovaginal pathology, study of (Waskovitz), 236 (Abst.)
 Monoamniotic twin pregnancy; five new cases (King et al.), 691
 Morbidity after cesarean section (Beacham et al.), 818
 studies in 1,000 consecutive hysterectomies (Cron et al.), 344
 Mortality, fetal, cause of, at the Sloane Hospital for Women, 1940-1949 (Steer and Kosar), 1091
 in cesarean section, analysis of (Diddle et al.), 967
 infant, in a voluntary hospital (Hofmeister and Paegel), 999
 maternal and fetal, recent trends in cesarean section, and their influence on (Williams and Hollenbeck), 1254
 surveys, value of (Moe), 951
 Multiple sclerosis complicating pregnancy (Baker), 917

Myasthenia gravis, pregnancy in (Schade and Foley), 1154
 Myoma, uterine, rupture of a subserous vein on surface of, causing massive intraperitoneal hemorrhage (Li and Braden), 1167
 Myomas, uterine, rate of growth of (Speert), 880
 Myomatous uterus complicated by pregnancy (Parks and Barter), 260
 Myomectomy, surgical technique and results in 1,150 cases (Davids), 592

N

Needle-holder, surgical (Schwartz), 219
 Neonatal deaths, three-year survey (Schoen-vogel and Higginbotham), 41
 jaundice and antibodies, 231 (Abst.)
 Neurofibromatosis of cervix (Busby), 674
 Newborn, 231, 476, 935, 1397 (Absts.); 1391 (B. revs.)
 and premature infant, tracheobronchial aspiration of, a catheterizing laryngoscope for (Emerson), 1374
 cesarean section babies, effect on, of stripping or milking of the umbilical cords (Siddall et al.), 1059
 erythroblastosis, prevention of, efficacy of Rh hapten therapy in (Marsters et al.), 549
 fetal survival, influence of maternal and obstetrical factors on (FitzGerald et al.), 1397 (Abst.)
 infant development (Gesell), 1391 (B. rev.)
 mortality in a voluntary hospital (Hofmeister and Paegel), 999
 physiology of (Smith), 1391 (B. rev.)
 pathology of fetus and (Potter), 1392 (B. rev.)
 pneumatosis intestinalis in (Stiennon), 936 (Abst.)
 posthemorrhagic shock in (Wickster), 524
 premature baby, caring for (Saltzman), 711 (B. rev.)
 Salmonella infections of (Epstein et al.), 935 (Abst.)
 weight of, variations in duration of pregnancy, and (Bjoe), 476 (Abst.)
 Nitrogen mustard, dysgerminoma treated with (Anderman et al.), 464
 therapy, intra-arterial, in treatment of cervical and vaginal cancer (Cromer et al.), 538
 Nurse, public health, and her patient (Gilbert), 710 (B. rev.)
 Nutrition, handbook of (Council of Foods and Nutrition, American Medical Association), 709 (B. rev.)

O

Obstetric and Gynecologic Congress, first in Mexico, 711 (B. rev.)
 endocrinology, fellowship in, 716 (Item)
 data, proposed use of birth certificate for (Roemer), 186 (Special article)
 Obstetrical anesthesia, modern trends in (Hershenson), 559
 practice (Beck), 701 (B. rev.)
 Obstetrics, 700, 1390 (B. revs.)
 and gynecology, physiotherapy in (Heardman), 708 (B. rev.)
 use of intravenous iron in practice of (Briscoe), 99
 year book of (Greenhill), 701 (B. rev.)
 in 1900 and 1950 (Quigley), 241
 pathology of (Llusia), 700 (B. rev.)
 practice of (Jamain), 700 (B. rev.)
 textbook of (Cunningham), 700 (B. rev.)
 Ovarian and testicular tumors, homologous (Marchetti and Lewis), 294
 carcinoma, migratory thrombophlebitis associated with (Womack and Castellano), 467
 subsequent to hysterectomy (Thorp), 1177 (Abst.)
 cyst, large nonparasitic cyst of liver simulating an (Burch and Jones), 441

- Ovarian—Cont'd
 malignancies, treatment of, results of (Randall and Hall), 497
 pregnancy (Preston), 470
 report of case (Castleton and Wyatt), 897
 Ovaries, neoplasms of, multiple, associated with carcinoid of the appendix (Grunstein and Barrows), 679
 Ovary, carcinoma, primary, palliative surgery for (Grünberger), 228 (Abst.)
 primary chorionepithelioma of (Roman and Feroldi), 1178 (Abst.)
 tubes and, donovanosis of, treated with aureomycin and surgery (Marmell et al.), 893
 Ovulation, effects of ligation of inferior vena cava and ovarian vessels on pregnancy and, in the human being (Collins et al.), 351
 estrogen activity, and early pregnancy, simple test for determination of, using the cervical mucus secretion (Roland), 81
- P
- Pain, somatic abdominopelvic, recognition and treatment (Eller), 1019
 Parenthood, planned (Stone and Himes), 709 (B. rev.)
 Parturition, upper age limit of; review of literature (Newell and Rock), 875
 Patency of Fallopian tubes, false diagnosis of (White), 235 (Abst.)
 Pediatric manual for mothers (Litchfield and Dembo), 1391 (B. rev.)
 Pelvic inflammatory processes, treatment of, by local injection of penicillin-Novocain, new contribution to (Arenas and Bottaro), 1175 (Abst.)
 inlet contraction (Weinberg), 943 (Correspondence)
 outlet (McSweeney), 765
 shape and its relation to midplane prognosis (Kaltreider), 116
 tumor, hemangiopericytoma, an unusual (Forman and Campbell), 929
 tumors arising extragenitally and obstructing delivery, review of (Haeger), 1180 (Abst.)
 veins in female, radiological exploration of (Guilhem et al.), 233 (Abst.)
 Pelvimeter, a new (Chapman), 217
 Pelvimetry, clinical and roentgen (Weinberg), 942 (Correspondence)
 Pelviperitonitis, endometrial, ruptured endometrial cysts as cause of (Pratt et al.), 90
 Penicillin decade (Smith and Walker), 1392 (B. rev.)
 G deposited in female, viability of human spermatozoa mixed with (Goldfarb), 1322
 in treatment of pre-eclampsia and eclampsia, trials with (Smith et al.), 1185
 Penicillin-Novocain, treatment of pelvic inflammatory processes in female by local injection of, new contribution to (Arenas and Bottaro), 1175 (Abst.)
 Pentothal anesthesia in obstetrics (Whyte), 163
 Pethidine, hypersensitivity to, case of, in a woman in labor (Butler), 1179 (Abst.)
 Physiotherapy in obstetrics and gynecology (Heardman), 708 (B. rev.)
 "Pig face" fetus, a teratological study (Posner and Beer), 1157
 Pitocin, intravenous, combined use of intravenous ethyl alcohol and (White), 854
 Pituitrin, and ergonovine, effect of, on cardiac rhythm during cyclopropane anesthesia for parturition, comparison of (Morris et al.), 171
 Pitressin antidiuretic effect, inactivation of, by blood of pregnant women, further studies on (McCartney et al.), 847
 Pituitrin in uterine inertia (Simon), 229 (Abst.)
 Pitocin, and ergonovine, effect of, on cardiac rhythm during cyclopropane anesthesia for parturition, comparison of (Morris et al.), 171
 Placenta, 937, 1179, 1398 (Absts.)
 human, microscopic study of ramifications and characteristics of the fetal vessels in (Danesino and Wiedermann), 1179 (Abst.)
 implantation of, treatment of intestinal fistulae by (Gallegos), 1176 (Abst.)
 incision of, at cesarean section, a cause of fetal anemia (Siddall and West), 425
 premature separation of normally situated, due to fetal suicide (Chalmers), 1176 (Abst.)
 previa, an eleven-year review (Beilly et al.), 414
 Placentae, abruptio, rupture of the basal (decidual) plate in: a pathway of autoextraction from the decidua into the maternal circulation (Schneider), 1078
 Placental calcification; clinical, histological, and radiographic study (Simon), 1398 (Abst.)
 circulation, maternal and fetal (Earn and Nicholson), 1
 exchange, efficiency of (Kaiser and Cushman), 946 (Correspondence)
 permeability, studies on, with radioactive isotopes of phosphorus and iron (Naeslund), 937
 Placentas, normal and toxemic, antidiuretic activity of saline extracts of (Byrom), 1398 (Abst.)
 Plastic surgery, vaginal, role of, in rehabilitation of women past age 60 (Payne), 317
 Pneumatosis intestinalis in newborn (Stienon), 936 (Abst.)
 Poliomyelitis in pregnancy and puerperium, experience in Detroit epidemics of 1949 and 1950 (Priddle et al.), 408
 Posthemorrhagic shock in newborn (Wickster), 524
 Postmenopausal bleeding, analysis of 100 cases of (McFadyen), 178
 Postpartum atony of uterus, spinal anesthesia as treatment of (Fuchs), 932 (Abst.)
 hemorrhage, etiology of (Terzian), 809
 patient, effect of intravenous injections of ergonovine and Methergine on (Forman and Sullivan), 640
 Potassium deficiency in hyperemesis gravidarum (Bergqvist), 1183 (Abst.)
 Pranone and ACTH in Rh-sensitized pregnancies, experience with (Holmstrom), 1038
 Pre-eclampsia and eclampsia, trials with penicillin in treatment of (Smith et al.), 1185
 Pre-eclampsia-eclampsia, etiology of. IV. Sodium chloride test for diagnosis of pre-eclampsia (Dieckmann et al.), 783
 Pregnancies, Rh-sensitized, Pranone and ACTH in, experience with (Holmstrom), 1038
 Pregnancy, abdominal, terminating in living child and complete removal of placenta (Woodson), 908
 Addison's disease during, management of, with cortisone and desoxycorticosterone (Wells and Wesp), 925
 adenomyoma of round ligament in (Rubenstein and Kurzon), 458
 and puerperium, poliomyelitis in, experience in Detroit epidemics of 1949 and 1950 (Priddle et al.), 408

Pregnancy—Cont'd

- antidiuretic substance in urine during, and its frequent association with bacterial growth (Krieger and Butler), 1181 (Abst.)
- antithyroid drugs during (Astwood), 1174 (Abst.)
- associated with congenital abnormalities of female reproductive tract (Fenton and Singh), 744
- complicated by subarachnoid hemorrhage (Trodella), 1377
- complications, 1180 (Absts.)
- coronary artery disease in (Mendelson), 381
- diagnosis of, use of *Bufo bufo* in (Diczfalusy and Westman), 230 (Abst.)
- male North American toad (*Bufo Americanus*) in (Forman and Floyd), 1352
- duration of, variations in, and in weight of newborn (Bøe), 476 (Abst.)
- early, simple test for determination of ovulation, estrogen activity and, using the cervical mucus secretion (Roland), 81
- ectopic, diagnosis and management of (Campbell), 54
- effect of ligation of inferior vena cava and ovarian vessels on, in the human being (Collins et al.), 351
- endometriosis in, clinical observations (Ganey et al.), 511
- ethinyl estradiol in (Birnberg et al.), 1151
- gastric ulcer in hiatal hernia complicating (Hahn), 222
- hepatitis complicating (O'Connell), 449
- Hodgkin's disease and (Stewart and Monto), 570
 - report of 12 cases (Hennessy and Rottino), 756
- idiopathic diabetes insipidus with normal (Tannenbaum et al.), 472
- in myasthenia gravis (Schade and Foley), 1154
- in uterus didelphys, abortion of decidual cast complicating (Kohl), 676
- induced, in a mammalian host following severe total body x-irradiation (Rekers), 477 (Abst.)
- interstitial, developing into the broad ligament (Kobak and Le Vine), 684
- leucemia in, acute myelogenous (Auer), 445
- maintenance of early, despite extirpation of three corpora lutea (Kulseng-Hansen), 1182 (Abst.)
- maternal rubella in, children born deaf following, psychoeducational study of (Levine), 231 (Abst.)
- methemoglobinemia during, with subsequent death of infant (Askari and Hodas), 437
- monoamniotic twin; five new cases (King et al.), 691
- multiple sclerosis complicating (Baker), 917
- myomatous uterus complicated by (Parks and Barter), 260
- normal and toxemic, metabolism of histidine and histamine in (Kapeller-Adler), 1399 (Abst.)
- ovarian (Preston), 470
 - report of case (Castleton and Wyatt), 897
- physiology, 937, 1182 (Absts.)
- renal contraindications to (Gibson), 1326
- rheumatic fever in, acute, effect of ACTH on (Singh and Miller), 452
- rupture of aneurysm of left external iliac artery during (Priddle), 461
 - of liver in; a rare complication of eclampsia (Speert and Tillman), 1127
 - of umbilical cord during (Svanberg and Wikvist), 1182 (Abst.)
 - of uterus, spontaneous, during (Hölund), 1180 (Abst.)
- serum proteins in (Miller et al.), 937
- test for, based on histaminolytic activity of serum (Dodge), 1213
- testing, use of male grass frog (*Rana pipiens*), in (Hause), 1356

Pregnancy—Cont'd

- toxemia, 477, 938 (Absts.)
 - blood pressure and prognosis in (Mukherjee and Govan), 939 (Abst.)
 - hypertension of, mechanisms regulating the hemodynamic changes in the pregnant woman and their relation to (Assali et al.), 978
 - prophylaxis and treatment of late, with special reference to acidifying salts (Parviainen et al.), 477 (Absts.)
- toxemias of, clinical report on (Hendelman and Philpott), 72
 - drugs used in, effect of, on renal output (de Alvarez and Richards), 1263
 - retinal changes in. II. Mild and severe hypertension, renal disease, and diabetes mellitus (Landesman et al.), 16
- tubal, full-term (O'Connell), 1305
- urinary excretion of chorionic gonadotropins in, serum concentration and (Anzisi and Vaglio), 1182 (Abst.)
- varicose veins of (Mullane), 620
 - with ruptured membranes, 116 days of, successful termination of (Gozan), 920
- Pregnanediol excretion in menstrual cycle (Fischer et al.), 613
- Pregnant woman, hemodynamic changes in, mechanisms regulating the, and their relation to the hypertension of toxemia of pregnancy (Assali et al.), 978
- women, inactivation of Pitressin antidiuretic effect by, further studies on blood of (McCartney et al.), 847
- Premature baby, caring for (Saltzman), 711 (B. rev.)
- Prenatal multiple immunization (Cohen et al.), 232 (Abst.)
- Presacral epidermoid cysts in women (Melody), 1119
- Presentation, brow (Ingerslev), 228 (Abst.)
 - transverse, ten years' experience with (Gareis and Ritzenthaler), 583
- Progesterone and water-soluble extracts of desiccated corpus luteum, uterine contractions at term after administration of (Rowe-Dutton et al.), 1318
 - intravenous administration of, study of effect of (Diczfalusy and Westman), 1395 (Abst.)
 - metabolism. I. Pregnanediol excretion in the menstrual cycle (Fischer et al.), 613
- Prolonged labor (Starr), 333
- Prostigmine in amenorrhea (Seims), 230 (Abst.)
- Protamine sulfate and toluidine blue, use of, for abnormal uterine bleeding (Rumbolz et al.), 1029
- Pruritus vulvae, management of, an adjunct to (Ballentine), 218
- Psychosomatic gynecology (Kroger and Freed), 702 (B. rev.)
- Puerperium, 233, 939 (Absts.)
 - androgen-estrogen combination, use of, to prevent pain and lactation in (Katzman), 1338
 - hemoglobin level in, significance of (Dean), 233 (Abst.)
 - leukosis occurring in, showing deposits in the endometrium (Hampson), 940 (Abst.)
 - poliomyelitis in pregnancy and, experience in Detroit epidemics of 1949 and 1950 (Priddle et al.), 408
 - rupture of bladder in, spontaneous intraperitoneal (Deacon), 939 (Abst.)
 - Salmonella sulpestifer* var. *Kunzendorf* infection in (Hesseltine and Turner), 697
- Pulmonary embolism, nonfatal maternal, by amniotic fluid (Hager and Davies), 901

R

- Radiation, 233, 477 (Absts.)
intracavitary, treatment of benign uterine bleeding with (Hundley et al.), 1234
- Rana pipiens*, use of, in pregnancy testing (Hause), 1356
- Renal agenesis and malformation of bony pelvis, uterus unicornis unicollis associated with (Ungerleider), 200
contraindications to pregnancy (Gibson), 1326
failure, acute (Sophian), 944 (Correspondence)
output, effect on, of drugs used in pregnancy toxemias (de Alvarez and Richards), 1263
pelvis and ureter (Narath), 706 (B. rev.)
- Reproductive capacity, return of, following spontaneous abortion (Sullivan), 671
tract, congenital abnormalities of female, pregnancy associated with (Fenton and Singh), 744
- Retinal changes in toxemias of pregnancy. II. Mild and severe hypertension, renal disease, and diabetes mellitus (Landesman et al.), 16
- Retrolental fibroplasia, pathogenesis, role of hemorrhage in (Laupus and Bousquet), 936 (Abst.)
- Rh antibodies, importance of the titer of, in sensitized pregnant Rh-negative woman for prognosis (Wiener et al.), 6
haptens in prevention of erythroblastosis, efficacy of (Marsters et al.), 549
sensitization, studies in. V. Importance of the titer of Rh antibodies in the sensitized pregnant Rh-negative woman for prognosis (Wiener et al.), 6
- Rh-sensitized pregnancies, Pranone and ACTH in, experience with (Holmstrom), 1038
- Rhabdomyoblastoma, grape-like sarcoma of vagina in children, contribution to study of (Alvarez-Zamora), 1178 (Abst.)
- Rhabdomyosarcoma of uterus (Peckham and Greene), 1379
- Rheumatic fever, acute, in pregnancy, effect of ACTH on (Singh and Miller), 452
- Right lower quadrant surgery, selective, it is curative in women (Johnson), 1045
- Roentgen fetal cephalometry (Bell and Rawlings), 1371
- Roster of American obstetrical and gynecological societies, 238, 947
- Round ligament, adenomyoma of, in pregnancy (Rubenstein and Kurzon), 458
sarcoma of (Bernstine and Breckinridge), 1367
- Rupture, bilateral follicular (Fielding), 1384
of bladder in puerperium, spontaneous intraperitoneal (Deacon), 939 (Abst.)
- Ruptured endometrial cysts as cause of acute abdominal symptoms (Pratt et al.), 90
membranes, method for detection of, through examination of vaginal cytology (Hopman), 1342
pregnancy with 116 days of, successful termination of (Gozan), 920

S

- Sagittal expansion in narrow midpelves (Hanson), 1312
- Salmonella infections of newborn (Epstein et al.), 935 (Abst.)
sulpestifer var. Kunzendorf infection in the puerperium (Hesseltine and Turner), 697
- Salpingitis, gonorrheal, cornual resection in chronic, 114 cases of (Davidson), 1396 (Abst.)
- Sarcoma of round ligament (Bernstine and Breckinridge), 1367
of uterus, twenty-six cases (Fenton and Burke), 158
- Semen, human, fructose and fructolysis in (Birnberg et al.), 877
- Semisynthetic oxytocic (Methergine), use of, in third stage of labor (Fitzgerald), 865
- Serum, histaminolytic activity of, test for pregnancy based on (Dodge), 1213
proteins in pregnancy (Miller et al.), 937 (Abst.)
- Shock, posthemorrhagic, in newborn (Wickster), 524
- Sodium chloride test for diagnosis of pre-eclampsia (Dieckmann et al.), 783
- Somatic abdominopelvic pain, recognition and treatment (Eller), 1019
- Spermatozoa, viability of human, mixed with penicillin G deposited in the female (Goldfarb), 1322
- Spinal anesthesia as treatment of postpartum atony of uterus (Fuchs), 932 (Abst.)
in obstetrics, single dose low (Torkelson and Cooley), 931 (Abst.)
- Sterility, 478 (Absts.)
and infertility, 233, 940 (Absts.)
uterine malformations in management of (Steinberg), 827
azoospermia and, statistical study of 100 cases (Seguy and Tchiloyans), 940 (Abst.)
diagnostic routine in, in clinic of government hospital (Goulart de Andrade and Campos da Paz Filho), 235 (Abst.)
gonadotrophins in large and small doses, preliminary note upon employment of (Palmer), 235 (Abst.)
menstrual disorders and, diagnosis and treatment of (Mazer and Israel), 706 (B. rev.)
spermigration and fertilization in human, problems relating to study of (Moricard), 234 (Abst.)
tubal factor in female (Matthew), 478 (Abst.)
- Steroids in experimental and clinical practice, symposium on (White), 705 (B. rev.)
- Stillbirths and neonatal deaths, three-year survey (Schoenvogel and Higginbotham), 41
- Stress incontinence, Marshall-Marchetti operation, a review (Gallaher), 842
physiology and pathology of exposure to (Selye), 1393 (B. rev.)
- Subarachnoid hemorrhage, pregnancy complicated by (Trodella), 1377
- Sulfonamide jelly, vaginal use of, induced sensitivity from (Branscomb), 175
- Sulfonamides, clinical evaluation of, in cervical and vaginal therapy (Jacoby and Bobker), 1349
- Superfetation, concerning question of (Salfelder and Lambertz), 938 (Abst.)
- Surgery, right lower quadrant, selective, is it curative in women (Johnson), 1045
- Surgical care (Elman), 707 (B. rev.)
management of carcinoma of cervix (Kelso), 955
needle-holder (Schwartz), 219
- Symphiotomy, present day problems of (Lopez), 1390 (B. rev.)
- Syncytioma, malignant, following benign hydatidiform mole (Kistner), 888
- Syphilis, congenital, in one of apparently identical twins (Raskin), 940 (Abst.)

T

- Table for gynecography (Stein and Arens), 1169
- Thiourea derivatives and the fetus, review and report of case (Hepner), 869
- Thrombophlebitis, migratory, associated with ovarian carcinoma (Womack and Castellano), 467
- Tokodynamometer, study of missed abortion with (Rowe-Dutton et al.), 650
- Toluidine blue and protamine sulfate, use of, for abnormal uterine bleeding (Rumbolz et al.), 1029
- Torsion of normal uterine adnexa (Warwick et al.), 883
- Toxemia, 1183, 1398 (Absts.)
eclamptic, minerals in etiology and treatment of (Garrett), 1184 (Abst.)
of pregnancy, blood pressure and prognosis of (Mukherjee and Govan), 939 (Abst.)
- Toxemias of pregnancy, clinical report on (Hendelman and Philpott), 72
drugs used in, effect of, on renal output (de Alvarez and Richards), 1263
hypertension of, mechanisms regulating the hemodynamic changes in the pregnant woman and their relation to (Assali et al.), 978
prophylaxis and treatment of late, with special reference to acidifying salts (Parviainen et al.), 477 (Abst.)
retinal changes in. II. Mild and severe hypertension, renal disease, and diabetes mellitus (Landesman et al.), 16
- Tracheobronchial aspiration of newborn and premature infant, catheterizing laryngoscope for (Emerson), 1374
- Tracheotomy in eclampsia (Collins et al.), 1052
- Transverse presentation, ten years' experience with (Gareis and Ritzenthaler), 583
- Tubal factor in female sterility (Matthew), 478 (Abst.)
insufflation, 235 (Absts.)
pregnancy, full-term (O'Connell), 1305
- Tuberculosis, genital, in women, diagnosis and treatment of (Liljedahl and Rydén), 1396 (Abst.)
pulmonary, therapeutic abortion in, results following (Schaefer and Epstein), 129
- Tuberculous endometritis, unsuspected, detection and treatment of (Levine and Kurland), 420
- Tubes and ovary, donovanosis of, treated with aureomycin and surgery (Marmell et al.), 893
- Tumor, hemangiopericytoma, an unusual (Forman and Campbell), 929
nomenclature and coding, manual of (American Cancer Society), 1386 (B. rev.)
- Tumors, mesodermal mixed, of body of uterus; two cases of (Hardy and Moragues), 307
of corpus uteri (McElin and Davis), 605
ovarian and testicular, homologous (Marchetti and Lewis), 294
pelvic, arising extragenitally and obstructing delivery, review of (Haeger), 1180 (Abst.)
- U
- Umbilical cord, congenital and acquired lesions of, and spontaneous abortion (Javert and Barton), 1065
rupture of, during pregnancy (Swanberg and Wigvist), 1182 (Abst.)
cords, stripping or milking of, effect of, on cesarean section babies (Siddall et al.), 1059
- Ureter, renal pelvis and (Narath), 706 (B. rev.)

Ureter—Cont'd

- supernumerary, opening extravasically, a case of (Carlsen), 931 (Abst.)
vascular supply to, variability of (Varverikos), 774
- Urethra, carcinoma, primary, with metastases (Eisenstaedt), 474 (Abst.)
- Urinary excretion of chorionic gonadotropins in pregnancy, serum concentration and (Anzisi and Vaglio), 1182 (Abst.)
sediment, cytology of, correlation of, with endometrial histology (Taylor and McCallin), 1009
stress incontinence, combined vaginal and abdominal plication and cystopexy for (Ball), 1245
- Urine during pregnancy, antidiuretic substance in, and its frequent association with bacterial growth (Krieger and Butler), 1181 (Abst.)
- Uterine adnexa, normal, torsion of (Warwick et al.), 883
bleeding, abnormal, use of protamine sulfate and toluidine blue for (Rumbolz et al.), 1029
benign, treatment of, with intracavitary radiation (Hundley et al.), 1234
endometrium and its vasculature overlying submucous fibroids in relation to (Duperroy), 1110
functional, hormonal control of (Greenblatt and Barfield), 153
intravenous estrogen in, effect of (Greenblatt and Barfield), 1173 (Abst.)
carcinogenesis, interaction of hormone-induced tissue growth and vital inorganic elements in (Hofbauer), 136
closure in classical cesarean section, an improved (Jacobson), 933 (Abst.)
contractions at term after administration of progesterone and water-soluble extracts of desiccated corpus luteum (Rowe-Dutton et al.), 1318
inertia, posterior pituitary extract in (Simon), 229 (Abst.)
primary, di-hydroergotamine in treatment of, experiences with (Gill and Farrar), 1176
malformations in management of sterility and infertility (Steinberg), 827
- myoma, rupture of a subserous vein on surface of, causing massive intraperitoneal hemorrhage (Li and Braden), 1167
myomas, growth of, rate of (Speert), 880
suspension, a Baldy-Webster, an unusual complication following (Brady), 922
- Uterus bicornis unicollis with rudimentary horn (Carpenter and Jameson), 206
body of, mesodermal mixed tumors of, two cases of (Hardy and Moragues), 307
cancer cytology of (Ayre), 1388 (B. rev.)
of cervix of, advanced, fate of patient with (Cosbie), 108
didelphys, adenocarcinoma occurring in one cervix of, associated with solitary kidney (Grant and Pierce), 212
pregnancy in, abortion of decidual cast complicating (Kohl), 676
endometrial carcinosarcoma, leiomyofibroma, and infiltrating cervical epidermoid carcinoma in the same (Lisa et al.), 1162
gravid, gunshot wound of, case of, (Jacobus), 687
inversion of, non-puerperal (Jones), 475 (Abst.)
lipoma of (Decker), 911
myomatous, complicated by pregnancy (Parks and Barter), 260
postpartum atony of, spinal anesthesia as treatment of (Fuchs), 932 (Abst.)
rhabdomyosarcoma of (Peckham and Greene), 1379

Uterus—Cont'd

- rupture of, spontaneous, during pregnancy (Höglund), 1180 (Abst.)
- sarcoma of, 26 cases (Fenton and Burke), 158
- unicornis unicollis associated with renal agenesis and malformation of bony pelvis (Ungerleider), 200

V

- Vagina and cervix, pre- and postoperative treatment of, Furacin vaginal suppositories in (Schwartz), 579
- congenital absence of, Baldwin-Mori operation for, review of (Brocq and Robert), 1395 (Abst.)
- infantile, biology of (Montalvo and Slocker), 1397 (Abst.)
- rhabdomyoblastoma, grape-like sarcoma of, in children, contribution to study of (Alvarez-Zamora), 1178 (Abst.)
- Vaginal and cervical cancer, intra-arterial nitrogen mustard therapy in treatment of (Cromer et al.), 538
- cytology, method for detection of ruptured membranes through examination of (Hopman), 1342
- infections, 236 (Absts.)
- length and incidence of dyspareunia following total abdominal hysterectomy (Jewett), 400

Vaginal—Cont'd

- plastic surgery, role of, in rehabilitation of women past age 60 (Payne), 317
- suppositories, Furacin, in pre- and postoperative treatment of cervix and vagina (Schwartz), 579
- therapy, sulfonamides in, clinical evaluation of (Jacoby and Bobker), 1349
- use of sulfonamide jelly, induced sensitivity from (Branscomb), 175
- Vaginoperineal fistula, endometriosis occurring in a (Kistner and Younge), 455
- Varicose veins of pregnancy (Mullane), 620
- Vasa previa (Torrey), 146
- Vascular supply to ureter, variability of (Varverikos), 774
- Veins, pelvic, in female, radiologic exploration of (Guilhem et al.), 233 (Abst.)
- Venereal diseases, 940 (Absts.)
- Vermiform appendix, endometriosis of (Sutton and Hardy), 1139
- Vesicouterine fistula, unusual (Bond and Rogers), 215
- Vesicovaginal fistulas (Carter et al.), 479
- Vulva, cancer of, treatment of (Cosbie), 251
- hidradenoma of (Allen and Funnell), 1364
- leukoplakia of, estrogens in treatment of, abuse of (Christy), 1133
